Dear,

Thanks to your generosity the 2008 Westchester Region of Hadassah Goods and Services Auction was a huge success raising over \$50,000 for breast cancer and gene therapy research, education and awareness.

Because of your support, Hadassah has made headway in finding cures for Multiple Sclerosis, Parkinson's and other neurological diseases and cancers. Our plans for our 2009 event and journal are underway. We are going to hold a Grand Monte Carlo Gala at the Ritz-Carlton in White Plains, New York, on March 21, 2009. As a result, this exciting and expanded event will have more attendees, bigger donations and much more fun.

Our fundraising goal for the spring event has doubled to \$100,000. Not only is the need for medical breakthroughs and new therapies greater than ever, but so is the cost to find them.. In the past, you purchased an ad for \$100. We hope we can count on your support again, and that you might consider a larger donation. Please see the accompanying form for advertising prices and giving opportunities

Once again, we thank you for your unwavering support of this very important cause.

Sincerely,

Adrienne Silver
