ROLLIN' AT THE RITZ!

2009 Monte Carlo Gala at the Ritz Carlton, White Plains

To benefit the extraordinary work of Hadassah in Health and Medical Research

MIRACLES PERFORMED DAILY!

Support Hadassah's research to cure Multiple Sclerosis, Parkinson's and other neurological diseases.

Why Should I Give?

Picture a young teenager, suddenly confined to a wheelchair because of a genetic disease that caused her to shake and twitch uncontrollably. The doctors at Hadassah Hospital implanted an electrode in her brain. She was walking two weeks later!

Or, think of doctors performing surgery through a patient's nose or bellybutton, so they recover more quickly, and have less pain.

Where Does My Gift Go?

All funds go directly towards research to find cures for Multiple Sclerosis, Parkinson's and other neurological diseases. Your ad will be featured in our journal, which goes to our 7,000 members in Westchester, Greenwich, and the Bronx. Or, you can donate goods or services and we'll auction them off at our **ROLLIN' AT THE RITZ** fundraising gala on March 21, 2009.

How Can I Contribute?

Just fill out the attached form to place an ad or donate a gift of goods or services. Your business name will be featured in the auction program and our publicity. All contributions are tax-deductible.

Complete and mail the attached form to place an ad or make a donation. Or, call our office at 914-937-3151.

Sincerely,

Karen Everett
Region President

Ella Newman
Gala Co-Chair

Barbara Panken
